THE STATE'S DISGRACE.

REPORTS OF MORE INDICTMENTS WHICH EXCITE THE

Capital—Weaver, the Perjuror, to Get a Continuance and Youtsey, the Convicted, His Sentence.

Frankfort, Ky., Feb. 4.—It is rumored that Gen. Collier, Gen. Duke, Sharp, Olav, Elkin, Stanley and Milward, all of whom are prominent gentlemen, are among those indicted by the late grand jury for connection with the Goebel assassination. The report created much interest and also feeling and the people are asking themselves who will be spared the designs of the gang or the head of such influences.

Georgetown, Ky., Feb. 6.—The case of "Barber" Weaver, indicted for perjury in the Goebel suspect charge, has been postponed until this afternoon, but it may again be deferred. H. E. Youtsey may be sentenced this afternoon and also an appeal of the case taken.

BOERS ARE ACTIVE

KITCHENER REPORTS DE WET AS COMING TO CAPE COLONY.

London, Feb. 5.—Lord Kitchener reports that Gen. DeWet and his force have reached a point south of DeWetsdorp, indicating that the Boer commander is rapidly sweeping toward Cape Colony.

Gen. French, the commanding general, says he is near Bethel, driving a force of Boers eastward. A column of British soldiers, under Gen. Campbell, met 500 Boers south of Addisburg in Cape Colony and Gen. Kitchener reports, forced them to retreat. It must have been a good fight, as the British lost two officers and fifteen men. The Boers, besides, captured and took with them four ambulances belonging to them.

FAMINE IN CHINA.

CANNIBALISM PRACTICED—TERRIBLE SUFFERINGS ARE REPORTED.

London, Feb. 5.—Chinese advice assert the famine in the province of Shanxi and Shensi is the worst in the history of China. Two-thirds of the people are without sufficient food. Bitterly cold weather adds to the suffering.

For three years the crops have been failures in both provinces, and this has brought the people to their present state. Cannibalism is practiced to a considerable extent. Parents, driven insane by want and the appeals of their children for food, kill the little ones rather than listen to their cries of distress and see their sufferings.

Infanticide is increasing on a terrible scale and women are sold by their husbands or sell themselves for food. The Chinese government has been doing what it could for the sufferers, but this, because of the unsettled state of the country, is but little. The population of Shan Si is 12,000 and of Shensi, 9,000.

BREAKS OUT AGAIN. THIS TIME IN TOPEKA, KANSAS.

Though Foiled Yesterday She Makes an Early Successful Raid Today.

Topeka, Kans., Feb. 5.—Mrs. Nation, the saloon smasher, with a small party of raiders, last evening made an attempt to "do" a saloon here. It was a dismal failure, for Mrs. Nation was not only arrested but her supporters were routed. A small riot was the result of the attack. Mrs. Nation made several street speeches after being released, and in each vowed to destroy the shops of the city. And as true to her word this morning before 6 o'clock she was out and at the work and had soon smashed two joints. She was again arrested and is now in jail charged with disorderly conduct and destruction of property.

GOLD ALONE WOULD LIVE.

MINORITY REPORT ON THE NEW FINANCIAL BILL.

Washington, Feb. 5.—The minority report of the committee on coins, weights and measures has been prepared by Congressman Shafroth. Objections to the passage of the bill, directing the secretary of the treasury to exchange gold for legal tender silver dollars, are: First, Because it will impose increased burdens upon the gold reserve. Second, Because it will create a new endless chain upon the government reserve of the treasury. Third, Because it facilitates the exportation of gold. Fourth, Because it will destroy silver dollars and silver certificates as money. Fifth, Because it will depress the prices of all commodities and property. Sixth, Because it is impossible for silver dollars to go to a discount as long as they are limited in number, as now provided by law—hence there is no necessity for this legislation.

ABOUT \$10,000.

THIS WILL BE THE LOSS FROM SUNDAY'S HEAVY

Winds—Eleven Barges in all Floated Away and Were Sunk—All Are Found.

The loss from Sunday's heavy winds at Brooklyn and Joppa, Ill., was heavier than at first surmised.

The Ayer, Lord Tie company, of Chicago, were the heaviest losers. They had eight barges with 55,000 ties at Brooklyn. Three were sunk and four broke loose and were swamped, one opposite Brooklyn, one at Belgrau, one near Metropolis and another below Brooklyn.

The barges are badly damaged, and in addition about 5,000 ties will be lost, having floated down the river. The J. H. Wilson, or "Whitpot" company, lost two barges with 4,000 ties. One of the barges broke in two and the loss on it will be several hundred dollars.

The Capt. J. S. Deady is agent, had one barge sunk at Joppa, but the loss will be comparatively slight, as only two or three hundred of the ties got away. The "J. B. A." has been at work near Brooklyn with the wrecks since yesterday morning and the "Ten Broeck" near Joppa.

Capt. Baker, agent for the Ayer, Lord Tie company, is up the Tennessee river on the Russell Lord, and has not been located, hence he knows nothing about the havoc wrought by the wind.

It is estimated that the total loss at Brooklyn and Joppa, Ill., will approximate \$10,000.
